## **STORMY WEATHER** **2016 CABERNET SAUVIGNON** **NAPA VALLEY**

Stormy Weather is the brainchild of Cameron Woodbrige, brother of the larger-than-life Jayson Woodbrige of Hundred Acre fame. Cameron worked alongside his brother and Philippe Melka, who consulted for Hundred Acre at the time, starting in 2005. It was there that he honed his skills and developed a serious love for the industry. So much so, that he decided to start his own project, so with the 2006 vintage in Napa, Stormy Weather was born..

Clearly winemaking talent runs in the Woodbrige family. Sourcing fruit from Calistoga and Oakville AVAs in Napa Valley, like Jayson, Cameron micro-ferments in oak barrels. And yet his style is clearly his own, producing wines with compelling precision and poise and with just enough unbridled decadence to make you wonder.

**TASTING NOTES:** Deep garnet in color with aromas of cherries and blackberry with a waft of summer sweet pea blossoms. Flavors of bing cherry and blackberry jam with big, soft opulent tannins that carry through the mid-pallet into a long fruit bomb finish. Drinking beautifully now but will easily age 10-20 years.

**Composition:** 100% Cabernet Sauvignon

**Production:** 321 cases

## **THE SETTING** **2016 CABERNET SAUVIGNON** **ALEXANDER VALLEY, SONOMA**

The Setting Wines is the vision of three friends who truly believe that great wine becomes an unforgettable experience when it is enjoyed in your perfect Setting. Wine invites feelings and emotions far beyond what typical food and drink provide.

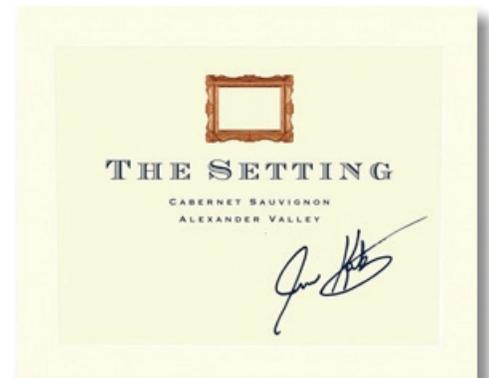

Partner and winemaker Jesse Katz has a unique ability to create wine that is the perfect balance between what the fruit wants to be and what the most discriminating palettes want to enjoy. He has the unrivaled ability to source the finest fruit from the best vineyards and couples that with a knack for timing, incredible selection of barrels, and unmatched blending magic. These are all reasons we believe our product is as good as it gets.

**TASTING NOTES:** The 2016 Cabernet Sauvignon Alexander Valley (100% Cabernet Sauvignon) has an opaque ruby-purple color and classic aromas of mint chocolate, black plum, pencil shavings, prosciutto and accents of fried herbs, tobacco leaf and cedar. It's full-bodied and intense with chocolaty accents, a silky frame of finely detailed tannins and a very long, lifted finish. Give this plenty more time in bottle and drink it over the next 15-20+ years.

**Composition:** 100% Cabernet Sauvignon

**Production:** 500 cases
