GIORNATA WINERY 2019 FIANO PASO ROBLES

Giornata started with a dream to create wines from Italian grapes grown in California employing the sensibility and philosophy of Italian winemaking. We work with the same grape vines (clonal material) as the best producers in Italy. The Central Coast of California possesses many of the attributes of the top wine growing regions of Italy. Our winemaking style leans more Italian than Californian in that we favor wines with balance and subtlety rather than intensity and extraction.
