DRAGONETTE CELLARS 2018 SAUVIGNON BLANC HAPPY CANYON OF SANTA BARBARA

Brothers John and Steve Dragonette and close friend Brandon Sparks-Gillis founded Dragonette Cellars in 2005 after having worked together at a renowned wine shop in Los Angeles. Their shared passion for great wine brought them to wild, windy and remote northern Santa Barbara County where they spent the next several years seeking out extraordinary, cool-climate vineyards and dedicating themselves to careful, patient, minimalist winemaking. Given the remarkable climatic and soil diversity in Santa Barbara County, Dragonette Cellars produces small lots of Pinot Noir, Sauvignon Blanc and Syrah of interest and distinction.

AEQUOREA 2018 PINOT GRIS SPANISH SPRINGS VINEYARD SAN LUIS OBISPO COUNTY

Latin for "Of The Sea," Aequorea began in 2011 as a search for vineyards that ventured deep into the coastal no man's land where we were raised. Here, on this foggy, windswept coast west of the Santa Lucia Mountains, we work with a group of dedicated growers who possess a shared passion for farming closer to the ocean than most anywhere else in California. From these special sites we focus on single-vineyard Pinot Noirs and aromatic white wines that are transparent of their terroir and the extremity of where they lie. All of the vineyards are no more than 6 miles from the ocean, blanketed by a thick marine layer in the summer which recedes each afternoon as cool breezes arrive off the Pacific.
