CHERRY NEWTON 2014 SYRAH RANCHO BOA VISTA VINEYARD BALLARD CANYON, SANTA BARBARA

On a warm July day in 2014 a partnership was formed between two like minded wine industry superstars: Cris Cherry, winemaker/owner/farmer at Villa Creek Cellars and Jeff Newton, founder/farmer/viticulturalist of Coastal Vineyard Care. With Jeff's impeccable vineyard management, Cris's precision in the cellar, and a shared passion for Syrah grown on cooler sites, a wine label was born.

TASTING NOTES: Coming from the sandy soils of Ballard Canyon in Santa Barbara County, the 2014 Syrah Boa Vista Vineyard sports a vibrant purple color to go with stunning aromas and flavors of crème de cassis, black raspberry, pepper and assorted violet and floral characteristics. Focused, fresh, elegant, medium to full-bodied and with a firm edge to its structure, it should benefit from short-term cellaring and have 10-12 years of overall longevity.

MCPRICE MYERS 2017 BEAUTIFUL EARTH RED PASO ROBLES

McPrice Myers Wine Company produces Rhone wines from Paso Robles and Santa Barbara County. The focus is on small production from some of the best vineyards on the Central Coast.

Mac became a complete food and wine geek in his early twenties. This led him to frequent sojourns to the Central Coast, where he became a quick study of the burgeoning wine scene. Mac's first vintage was 2002. His enthusiasm for the local vineyards in Paso Robles and Santa Barbara County was matched only by the lure of the Rhone Valley. Mac's own wines received overnight praise from the wine press-at-large. With a keen eye on the future of California vineyards and a respectful nod to the Old World, Mac continues to impress as one of the most progressive and even-handed winemakers on the Central Coast..
