PAUL LATO WINES 2018 "MATINEE" PINOT NOIR SANTA BARBARA COUNTY,

Paul Lato is a gifted winemaker who started out as a Sommelier. Paul Lato wines are some of the most sought after from the Central Coast, where he continually receives high praise (and scores) from many of the top wine publications. With his incredible single vineyard Pinots priced around \$70-\$90/btl, the Matinee Pinot Noir is a stunning value.

This is a sophisticated, harmonious blend of three great vineyards from two appellations in Santa Barbara County: Solomon Hills Vineyard from Santa Maria Valley blends beautifully with John Sebastiano and Zotovich Vineyards from Sta. Rita Hills. The 2018 perfectly articulates just how great Pinot Noir can be from the Central Coast.

TASTING NOTES: The 2018 shows intense fruit. On the palate, red berries, wild spices, and blueberry round out the full mouthfeel. Each vineyard brings to this blend nuances of its appellation. Santa Maria Valley shows through in the fragrant and perfumed nose with a touch of spice, while Sta. Rita Hills brings additional structure, weight, and power. This Pinot Noir is very versatile and will pair with and enhance a variety of cuisines.

Clones: Swan, 113, 115, 667

RAEN WINERY 2018 PINOT NOIR ROYAL ST. ROBERT SONOMA COAST

RAEN Winery was founded in 2013 by Carlo & Dante Mondavi, the two sons of Tim Mondavi. After working with their father in building Continuum, they decided to go off on their own and venture out to the West Sonoma Coast to make cool climate Pinot Noir that can stand on its own on the world stage. RAEN stands for 'Research in Agriculture and Enology Naturally'.

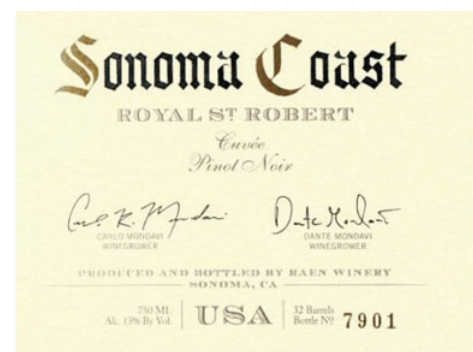

Royal St Robert is a special bottling dedicated to our grandfather, Robert, who taught and inspired us each and every day and who continues to do so on this journey. This cuvée is a selection of our finest barrels giving a window into the cool, rugged hills of the West Sonoma Coast.

TASTING NOTES: Aromas of red cherry, rose petals, violets, coastal forest floor, wet rock, and lifted red and black berries fill the bowl. Black tea, damp sun-kissed earth, savory herbs, forest berries, and floral notes persist and harken back to the site where the grapes were grown.

Clones: 667, 115, 777, 828, Calera, Swan

Production: 1,800 cases
